## Worldwide Marriage Encounter Weekend

Many husbands and wives seem to be "married" to their career, computer, TV, sports or their children. Re-examine your married lifestyle and priorities by attending a Worldwide Marriage Encounter Weekend. It is a positive, simple common sense, private experience between you and your spouse, that revitalizes marriage by helping you to see again those loving qualities in each other that you may be taking for granted. The next Worldwide Marriage Encounter Weekends are Feb 1-3, 2019 in COLUMBIA, SC and Jul 19-21, 2019 in CHARLESTON, SC. Early sign up is recommended. For more information visit our website at: <https://SCMarriageMatters.org> or contact us at [applications@scmarriagematters.org](mailto:applications@scmarriagematters.org) or 803-810-9602.

### Be Bold in Your Friendship with God

Prayer is about love, not insight. It is meant to establish friendship. Friendship, as we know, is not as much a question of having insight into each other's lives as it is of mutually touching each other in affection and understanding. Friendship, as John of the Cross puts it, is a question of attaining "boldness with each other." When we have touched each other's lives deeply, we can be bold with each other. We can then ask each other for help, ask each other to be present without needing an excuse, or share our deepest feelings. Good friendship inspires boldness. The object of prayer is precisely to try to attain this kind of "boldness" with God, to try to reach a point where we are comfortable enough with God to ask for help, just as we would a trusted friend. But to reach this kind of trust we first must let God touch us in the heart, and not just in insight.
